On May 2nd 2003, the class of 2005 gathered at Lenzi's Function Hall in Dracut for their first formal extravaganza, the sophomore semi-formal. Everyone cleaned up nice and felt like movie stars as they posed for couple shots and buddy shots. After that, dinner was served. The real fun started next. The DJ played popular songs to loosen everyone up and keep the energy high. The dancing didn't stop and continued for hours into the night. Everyone enjoyed the fun and exciting atmosphere and made memories to last for years to

Although there was no red carpet volled out everyone was dressed in Oscar worthy attire on May 7, 2004 for the Junior Prom. Flashes from the "paparazzi" could be seen on the lawn area and lake at Castleton in Windham, New Hampshire.

The buffet style dinner was delectable and worthy of five stars. The girls looked "pretty in pink", while the "men in black" were stunning. Everyone got down with their "dirty dancing" and the DJ definitely got two thumbs up. As the glamorous night came to an end, everyone was sure to "save the last dance" for that special someone. "From this moment on," the Class of 2005 only got closer.

The class of 2005 came into Spirit Week with one victory already under our belt. Thursday everybody pulled out the stops for the first official day, Crazy Mix Match Day. On Friday a new spirit week invention, Occupation Day showed us everything from budding starlets, professional athletes, to future CEOs in their best suits. Friday night was the first Billerica Memorial High School Homecoming dance. Held in the gym, the dance attracted over 500 students with DJ Krazy Kulo and a chance to dunk Dr. Safier in a tank of Billerica water. Monday brought us back with not only the everpopular Pajama Day, but the end of the penny war as well. In true senior spirit Mr. Murphy, Mr. Piwowar, and a few good seniors made a big production of bringing out the secret stashes and destroying all underclassmen's penny war dreams. Tuesday was Class Unity Day and it had all seniors united as card-carrying members of the Red Sox nation. Finally the big day arrived and students dressed in homemade spirit shirts and decked in green and white war paint flooded the gym. The gymnasium was tense as a tie was announced between the sophomores and seniors, to be broken by the penny war. Although we had to wait until after Thanksgiving break to find out we raised nearly \$6,000 for the Billerica Food Pantry, the results were worth it. Seniors won and took home their ADMILONE second spirit week win in four years! A win in the Powder Puff football gaine was the frosting on the spirit week cake for the seniors.

We were all brothers, some of us playing together for two years, three years, four years, and some of us playing together our whole lives. We were the 2004-2005 Billerica Indians. We were all focused on just one game. On November 24, 2004, we headed out of the locker room for the last time. After we did our stretches, Coach Flynn told us that we would always be brothers. We will always remember the hard work, the good, the bad, and all the in between. This is trurer than anything else. We will always remember each other, no matter what.

The 1st quarter was Billerica football. We dominated both sides of the ball. On defense, there were outstanding performances from Sean Bartlett, Nick Gallant, Billy Shaw, and Steven Tirella. On offense, we had even more seniors who helped us out; Nick Gallant, Dan McWilliams, Bill Shaw, and "The Hogs," Jeff Higgins, Shawn Ankenbauer, Mark Capone, and Steven Tirella. We scored twice.

Then in the 2nd quarter, Chelmsford started to play like they had all season. The were a totally different team. In the 3rd quarter, Chelmsford scored and the game was tied at fourteen. The 4th quarter went on scoreless and the game was sent into OT. Chelmsford had 4 downs to go 10 yards. They scored, but we blocked their attempt at an extra point. The game was 20-14 Chelmsford. Now it was our turn to have 4 downs to complete 10 yards and into the endzone. They stopped us on fourth down and the game came to an abrupt end. It was the biggest let down for everyone.

BISHOP'S WORLD 2005

We're ready for our close-ups! Four years have flown by and we're already the stars of our own lives. Surrounded by a cast of hundreds each day, we've played our parts to perfection. We've met for the Breakfast club in the café. We've been Pretty in Pink at the prom. We've been Clueless in class, Bad Boys in the hallways. We've played on a Field of Dreams, scored a Miracle on Ice, and made our Hoops Dreams all come true.

We'd like to thank our director, Mr. Bishop, and his assistant, Ms. Blanchard, and all the little people - the underclassmen-who've made our success possible. We've had some amazing teachers and coaches to help us perfect our roles.

Sometimes high school is a Scary Movie, a Blackboard Jungle, or Armageddon. But mostly high school is like life for Forest Gump: a box of chocolates. You never know what you're going to get, but its all sweet!

So visit our concession stand, a Cafeteria Lady Production, enjoy our comfortable restrooms (you've got to be kidding!), and please note the locations of the exits. (Don't worry we've got that covered). Sit back. Enjoy the show.

Dr. Calabrese Superintendent of Schools

To the Members of the Class of 2005:

The Class of 2005 was required by the Commonwealth of Massachusetts to successfully complete the MCAS testing in order to receive a high school diploma. You met this challenge and exhibited a high level of achievement. This is a credit to you and your families.

Your lives will be filled with greater and more important challenges than the MCAS graduation requirement. Use this motivation and work ethic applied in high school to all your future challenges. You have proven yourselves and I am confident this will continue in the future.

I join with the Billerica School Committee, the faculty and staff of Billerica schools in congratulating each and every member of the Class of 2005. May your future be filled with happiness and achievement.

Sincerely,

Dr. Robert I Calabrese, Superintendent of Schools

July, 2005

Dear Graduates, Class of 2005:

Once again, I want to wish you all the best as you move beyond your graduation from high school. This is a time to take stock of where you have been, and contemplate where you will soon be going. Your past challenges and successes have begun to guide you into understanding who you are, and toward what you might be capable.

You may actively pursue those life experiences that bring purpose and that are meaningful to you. For having a sense of purpose

is the key to your moral and intellectual growth. Every experience, to some degree, changes who we are, and has an impact on the quality of our future experiences. Your job will be to give those experiences their proper sense of direction. This means finding purpose and shaping your experiences toward specific goals.

My hope and expectation is that you will continue to develop your abilities alongside an evolving sense of purpose, and that you will channel the directions that you go in, and forsee possible consequences of your actions. And, as you seek to understand life's circumstances, I hope that you will be confident making decisions that can best be made by the balance between both your head and your heart. If you can do this, then you are ready for the wonderful things to come.

Congratulations and best wishes,

Richard Safier Principal

Boys Cross Country

For the first time in many years, the boys cross country team was manned by a new coach. Having been a star runner during his days at BMHS, Joe Bradford took over the job of head coach. He introduced a hard work ethic which proved to be successful to the team.

Seniors Dave Spivey and Al Carpenito captained the team that eventually finished with a fine record. Spivey, Carpenito, and other senior runners: Dave Allosso, Jeremy Savlen, and Tom Brooks built camaraderie within the structure of the team. They provided good attitudes and efforts for the underclassmen to follow.

The success of Spivey, J.P. O'Brien, and Bobby Evans throughout the season earned them the accolade of Merrimack Valley Conference All Star. O'Brien and Evans will return where they will undoubtedly lead the team to new heights.

Girls Cross Country

The 2004-2005 girls cross country team finished a successful season with a 3-2 record in the MVC league. Leading the team were captains Ashley Durso, Ashley Evans, Genna Sandler, Emily Sullivan and Jamie Whiteway. Along with the seniors, many of the underclassmen also contributed to the victories on the various courses, for example, sisters Jess and Monique

Girard, Meghan Sullivan, Meghan McLaughlin, Brittany Whiteway, and freshman Selina Collins. The team bonded throughout the season with pasta parties, bus rides, and long runs at practice. Overall, the BMHS girls cross country team had a great season, with promising runners for the years ahead.

Driving Away the Competition

Golf

The 2004-2005 Billerica High School Varsity Golf team had an excellent season. They finished the year with a record of 8-7-1 in one of the toughest divisions in the state. The team qualified for a postseason tournament berth for the first time in three years. Seniors Robby Jones (Captain), Dan Cain, and Matt Kurker helped lead the Indians to their successful season. Juniors Brad DePierro (Captain), Jim Crowly, and Jim Toomey also aided the team throughout the season. Also contributing in matches were sopho-

mores Derek Infanger, John Shea, Sean McGuinness, and freshman Ted Barret. After only losing three seniors this year, the young Billerica squad looks prepared to have a promising future led by these younger players. The 2004-2005 season brought an excellent end to the 18-year career of Coach Cowdry. Coach Cowdry successfully coached his teams to the postseason tournament 13 times over his 18 years of coaching.

Girls Volleyball

Losing seven seniors, the Girls' Volleyball team knew they would have to work extremely hard this season. Difficult practices got us into shape, but we still needed strong team chemistry. We had a lot of pasta parties, which helped to bring us together and make us a stronger team.

We had a slow start, but made a quick comeback. Being a young team did not hold us back at all. The underclassmen as well as the rest of the team picked up their game and close games turned into wins. Before we knew it, we had a record of 6-7 and we needed to be

7-7 in order to qualify for the state tournament. We won our last game in a very close match and qualified for the tournament.

Unfortunately, in our first tournament game, we were not able to overcome our opponents. However, we gave it all we had during the season. Senior Captain Sam Laferriere was named All-Star, while Senior Captain Stasia Mills received All-Conference. We formed friendships that will last a lifetime and made memories we will never forget. We wish next year's team the best of luck and we will miss you girls so much!

The BMHS Marching Band and Silver Jade Color Guard had a very successful season. Their fall program consisted of selections from Pirates of the Caribbean. The band and color guard placed first in all four competitions in which they participated. At the Musical Arts Conference Division 1 Championships in Bridgeport Connecticut, Billerica received their highest score of the season 89.45, placing them first and securing the

Football

The 2004-2005 Billerica Indians football team was a close-knit group. We were contenders for championship. Led by coach Flynn and captains Billy Shaw, Danny McWilliams, and Nick Gallant, the team improved after every game and started to prove to people that we could win the MVC title. By the end of the season, the league title came down to the last few games. The game against Chelmsford proved

to be the biggest one yet. It was a close game, but unfortunately we couldn't pull through for the the Merrimack Valley Conference win. It was a let down for everyone, especially the seniors in their last game. We will always remember the hard work and all the good and bad memories that we had with each other that made this a memorable and successful season.

Fall Cheering

The 2004 fall cheerleading season had its share of ups and downs, but was definitely one to remember. We faced many obstacles as a team, overcame them and as a result we grew stronger. We united as a team and pushed forward. We washed cars in the rain and shine, attended cheer camp, had some fun sleepovers, and most importantly made new friends.

We participated in invitationals to prepare for our league competition. At leagues, the competition was tough and we tied for second place, qualifying us for the regional competition. We performed well, however, did not score high enough to move on to the state competition. Pep rally was a great experience for all of us, especially the seniors, who won spirit week! On behalf of the graduating seniors we would like to wish all of the girls good luck next year.

Going into the season, we knew we had a hard task in front of us. We lost some key players from last season. However, this task was nothing we couldn't handle and we ended up having a very successful season. We finished the season with a record of 14-6, which was the best record posted by the girls basketball team in eleven years.

Not only did we finish the season with a good record, but we also became co-champions of the Merrimack Valley Small School Conference and won a spot in the state tournament. The team exhibited great teamwork and this showed on senior night. We went into the game as underdogs against North Andover,

who was one of the top teams in the area. It was a hard fought, close game, but the team pulled together and we won.

This years captains were the four seniors, Nicole Levecque, Laura Sears, Sam Laferriere and Calee Benson. The captains showed strong leadership, which was critical to the team's success. Because of their successful seasons, three seniors received Merrimack Valley Conference honors. Laura Sears was named to the All-Conference team and Nicole Levecue and Calee Benson were named League All Stars.

Girls Hockey

The girls hockey team seems to be the newest prgram offered at BMHS. During it's first season (2001-2002), there were girls playing for the first time in their lives and loving every minute of it. We took a lot of criticism and beacuse of that pushed ourselves to learn more about the game and get better at it. Our hard work paid off, qualifying for the state tournament for the next three years. The 2004=2005 season proved to be the most competitive, ending in an 8-8-4 record but still qualify-

ing for the state title. Senior captains Casey Shanley and Kelly Rowe led the squad to one of the best games of the year but fell short with a 2-1 loss against Waltham. Good luck to the team in the 2005-2006 season. We will never forget the 5 A.M.practices and the great pasta parties. Good luck to the team in the 2005-2006 season. We seniors hope the tradition continues and hope that you'll go even farther in years to come.

Boys Hockey

The 2004-2005 boys hockey team enjoyed a successful season in which they won their 2nd MVC/DCL Division 1 Championship in a row and 3rd in four years for the seniors. The Indians faced one of the most difficult schedules in the state in which they faced nine teams ranked in the top 20. The Indians went into the season with 11 seniors led by captains Ryan Grogan, Adrien Peacock, and Brendan Ronayne. The Indians got off to a slow start in December and January. Going into February the Indians faced the possiblilty of losing the league title and not making the state tournament for the first time since 1980. Seniors Robby Jones and Tim Allen stepped up and led the team to a record of 6-0-3 to end the regular season and 4-0-2 in the month of February. John Giasullo and Sean Bartlett

combined to be the heart and soul of the team during the late season turnaroud while Mike Jenkins and Derek Guittarr made a formidable presence of the blue line. All conference forward John Shaw worked for some clutch goals while goaltender Bobby Bridge had a breakout season in net that was highlighted by a 3-0 shutout victory over Chelmsford. The Indians ended up qualifying for the state tournament however lost in the first round. The season will be remembered as one of the greatest turnarounds in school history that led to the team's 3rd MVC/DCL title during the four years the seniors played.

Wrestling

What a year! It was an interesting one at least, from day on to day...um...the last day. It was fun but it wasn't easy. To start we had two new coaches: Coach Bobby Boulanger and Coach Mike Marshall. We also had a wide array of assistant coaches including Kevin Boulanger and Pat Hogan. It was difficult getting organized at first, but once we got everything together, figured out captains, weight classes, etc., it went pretty smoothly. Like most years we started with about 25 at tryouts and eventually had only 18 kids stick with it. We ended up having four captains as well: John Tilley, Carl Anderson, Darren Cassidy, and Jimmy Galvin.

Record wise, we had a decent year at a little below .500 considering the fact we had a very young team. Even so, we had an impressive showing at the sectional's tournament with Carl Anderson, Darren Cassidy, and Jimmy Galvin making it to states. Galvin also made an incredible showing by placing second at the Lowell Holiday Tournament. Our first year heavyweight senior, Al Ciccone, got a miraculous second place at the Chelmsford Tournament.

Overall, we had a very productive year. By the end of the year, not everyone was winning, but everyone was wrestling and in reality that's all that counts. K-Mart, DJ, Duby, practically everyone improved. It was that inner drive that didn't just make us stronger individually, but it also made us stronger as a team. It is the hope of the three seniors, John Tilley, Al Ciccone, and Jeff King that we will continue to fight as a team.

Lindsey Davis, Emily Sullivan, Sydney Fitzpatrick, and Jackie Price raced for the win and got the Indians the 4-0 record they needed.

At the MVC Championship, Billerica ran its first 800-relay team of the season. The unknown threat of Rachel Robichaud, Emily Sullivan, Louise Comerford, and Sydney Fitzpatrick placed 4th overall and earned their MVC All-Star titles

Despite their 2nd place finish in Division 2, several girls qualified for the State Class A meet. At the meet, the 800-relay team raced for only the second time. They placed 6th and qualified for the All-State meet, After this fine season, head coach Dan Murphy was named Coach of the

Boys Baseball

The Billerica baseball team had a year of solid performances. The senior captains were Dave Allosso (pitcher/second base) and Steve Corso (centerfield). Other seniors leading the way were Derek Marchant (DH/third base), Danny McWilliams (DH/left field), and Jason Nieuweboer (first base). Although this season ended with a disappointing final record, there were many close games that were lost by only one or two runs. "Wait 'til next year." A highlight of

the season was beating Tewksbury in the first ever Spinners Tournament at LeLacheur Park in Lowell.

Coach Sidorovich celebrated his 300th career win this season. Congratulations Coach Sid! Sophomore Danny Wilson (pitcher) was chosen all conference and junior Greg Abelli (pitcher) and sophomore John Shea (third base) were chosen all stars for the 2005 season. Good luck in 2006!

Girls Softball

Leading the softball team this year were the three captains Kaitlin Rahn, Diana Button, and Casey Shanley. Although there were only three returning players, everyone could sense the potential that the future would bring right when the varsity team was chosen. To the team, our record did not matter; you win some and you lose some. It was the moments we shared together as a team on the field and off the field that we treasured. Nobody wanted our time together to end. The team put their heart and soul in each second of playing time and it showed by the end of the season.

Looking at our team, you could not possibly single one person out. Each player did her part and that understanding explains the chemistry that bonded

us together as one. There were always questions being asked to make oneself a better player and even sometimes girls would stay after practice to work on something they needed to work on.

To do a recap on the season, all I can say is that everyday there were many laughs, sweat, and tears that were put into our foundation that built the team and in the end we were unstoppable. Quality friendships were made that will never be forgotten. And to the girls the seniors left behind, we have a great team with so much talent. Work hard, continue to make memories, and make sure you're having fun!

MVC Chempions

Boys Lacrosse

The campaign of this senior laden team was quite memorable. The 2005 squad took yet another step in restoring the team to championship status. Led by senior captains Dave Spivey, Nick Pinto, Adrien Peacock, and Billy Shaw, the Indians started out with an impressive win streak. It took nine games for the boys to suffer their first loss to Andover. In a time of grief, the team held together in order to continue their success.

The camaraderie of this team was built over many years. The four captains along with seniors Dave Scarfo, Danny Granfield, Danny Cain, Chris Martineau, Pat Abrahamson, and Keith Dangelo had played together for several years. These boys learned how to play the game with one another and constantly strove to become better.

The competitive spirit was evident all

season as the team worked to overcome any feat. An overtime victory against North Andover perfectly illustrated the desire of this team to win; they never gave up.

Clinching the playoffs, the Indians were focused. They knew they had their work cut out for them as the first round followed the senior prom. The situation seemed to be no problem as the Indians crushed Lexington 10-2. Facing Lincoln-Sudbury in the second round, the Indians were on a quest. However, the long time rival was too much for the Indians, as they were defeated 8-6.

As a result of the success during the season, five players were honored to the Merrimack Valley All-Conference team: Dave Spivey, Nick Pinto, Adrien Peacock, Dave Scarfo, and Danny Granfield.

The girls' lacrosse team started the 1 season with an exciting 4-3 victory against North Andover, and later upsetting teams to clench a 5-0 record. Girls Track

The Girls' Spring Track team was led by senior captains Lindsay Hurley, Melissa O'Neill, and Emily Sullivan. Throughout the course of the season, Billerica defeated Notre Dame, Lawrence, and Dracut. At the MVC relay meet, the distance team ran a mile relay and placed in the top three. The following week at the State Relay meet, the mile relay team placed 5th in Class A. The Billerica distance team began to get a lot of recognition from both coaches and athletes of other teams, who were all impressed with Billerica's strong performances and constant improvements. The hard work and dedication was paying off, and the season was only half over.

By the end of the season, almost every member of the team had beaten her personal best record by a long shot. At the MVC Championship meet, junior Jess Girard placed in the top 6 in the 800, and received an All-Star title. Sophomore Sydney Fitzpatrick placed 2nd at the State Class A meet, she qualified for the All-State Championship meet. Advancing to the New England Championship meet in Maine, Sydney represented Billerica and ran her personal best time in the one-mile race.

Boys Tennis

Led by a group of seniors, the 2004-2005 boys tennis season was a huge success. The dramatic turn-around from their freshman year, when they were only able to win two matches all season, is truly remarkable. The final record this year was twelve wins and five losses, which qualified the team for the state tournament. Though they lost to Lexington in the first round, they left with a sense of accomplishment having turned in a winning record and making it to the states.

Seniors Rob Brodowski, Andrew Thompson, and Raphael Rios competed at first, second, and third singles, respectively. Seniors Peter Bour and Khemarith Kang played second doubles during the season while sophomore

Aaron Hopkins and freshman Billy Rios played first doubles. Sophomore Josh Bilodeau also helped out playing second doubles in a few matches.

Though the team is losing five starting seniors who played the entire year, the team has a few returning starters who are sure to be competitive next year. There are several young players who are skilled, which will help the team in its years of rebuilding. There is no doubt that Coach Sam Colangelo plans to be back in the state tournament in future years. The seniors thank the team for a great season and wish them much success in 2006.

Girls Tennis

The girls varsity tennis team ended the season with the title of being the MVC division II champions. We started our season and ended it in the same way with 12 wins and 4 losses. Going the extra mile by renting indoor court time for rainy days greatly improved both JV and Varsity. With only two seniors on the team, we were lucky to have a successful season with a young but talented team.

First singles player Julia Brodowski led the team and could beat all the division II and most of the division I players. She was named Merrimack Valley Conference Player of the Year and out team's MVP. CO-captain Anastasia Mill, who played first doubles, won the Sportsmanship Award and was also on the All Star team along with fellow All Star junior Kelley Duane. The second doubles team consisting of Emily Keegan and Meghan Glennon were also on the All Star team. Co-captain senior Anu Patil received the Coaches Award and her sister, manager Nehal Patil, was always there to support the team. We had a lot of fun together despite the injuries and frequent rainouts. We won the MVC and went two games into the state tournament. It was an all around great season.

Boys Volleyball

Billerica boys volleyball is still a virtually unknown sport here at Billerica High even after the amazing year last year. Sadly though, most of the varsity team left last year. Seven of the people on the team would not return for this year. This was a very tough rebuilding year with only one senior and a couple of returning varsity players to anchor the varsity team.

The start to the 2005 year was one filled with energy and a focus on recruiting new players. That energy was soon dissipated with the loss of one of our talented setters. That left us with one setter and a very capable freshman to fill the open setters spot. The first game featured another tragedy with the loss of a great leader in Paul Bradley. This loss though, prompted other to take a role in leading the team in spirit and intensity. The lack of experience hurt though in the long run with minimal wins. We could not keep

up with the standards of last year.

Much has come out of the 2005 season. We were able to recruit many sophomores and freshmen to give us more of a deep roster. These players will be vital to the success of the boys volleyball team. The team next year will also feature many capable seniors that could rekindle the spirit of the 2004 season. With a varsity of mostly seniors and veteran players, next year will be a year to watch and remember. This year however will not go unnoticed. This year helped many played get accustomed to the game and to playing at the fast paced varsity level. Even though boys volleyball may be a lost sport here in Billerica, it will continue to go on and have many great seasons as well as some rebuilding years in between.

B.M.H.S. Theater Company Presents "Our Town"

Director Susan Yoniak, in her fourth year at BMHS departed from the tradition of choosing a comedy for the fall play and instead chose to direct "Our Town," Thornton Wilder's minimalist play omniscient narrator portrayed by Greg Boczenowski, the audience saw a complete portrait of a small town in New Hampshire, centered on the young Emily Webb (played by Lisa McGuern). Through her life and death, Emily realizes the preciousness of life. The class of 2005 occupied the principal parts of this play. Jon Read made his BMHS stage debut in the role of George Gibbs, Emily's sweetheart. Mr. Webb and Mr. Gibbs, the fathers of the two lovebirds, were played by Mike Hachey and Albee Wicks, respectively. Nick Lazott represented the darker side of small town life in the role of the drunkard Simon Stimpson.

INTO THE WOODS

In April of 2005, the BMHS Theater Company performed Stephen Sondheim's Into the Woods under the direction of teachers Susan Yoniak and Patrick Gagnon. This was Mr. Gagnon's first production at BMHS and he selected an ambitious piece: Sondheim's music is often regarded as more challenging than typical musical theater fare, but the BMHS cast and crew were up to the task.

Into the Woods presents a twisted version of classical fairytales with a cast populated with the like of Cinderella, Little Red Riding Hood, Jack the giant killer, and a wicked witch. A hapless Baker and his wife, played by seniors Nick Lazott and Lisa McGuern, propel that plot forward as their quest to have children interferes with the stories of the other characters.

For many in the class of 2005, Into the Woods was a chance to show their mettle. Nick Aylward and Greg Walsh, two seniors who had appeared in every musical since their freshman year, triumphed as the charming but insincere princes. Greg Boczenowski added a musical to his impressive list of dramatic accomplishments in the role of Jack. Theresa Chadwick assumed the role of the rapping witch and Michael Hachey played the dual role of the Narrator and the Mysterious Man.

Everyone was a star on the red carpet at Danversport Yacht Club, scene of the 2005 Senior Prom on June 3. Everyone looked great and was glad the weather cooperated on that special evening. A sunset over the water was the backdrop for a good time that included a tasty buffet and a lively DI who came equipped with a big screen TV for those who like video with their music. Offering crazy glasses and glow sticks, the DI also hosted a Napoleon Dynamite dance contest. Thanks to an industrious prom committee and enthusiastic prom goers, this Last Dance was a memory worth saving.

ADUIT OUR

Class Day

After a long graduation rehearsal, everyone was ready to have some fun. Seniors carpooled up to the Cedardale/Groveland Country Club despite the not-so-hot weather. Regardless of the soggy; overcast day, the DJ kept things lively while we played basketball, volleyball, mini-golf, tennis and baseball. A few brave, thick-skinned people jumped in the pool, but a bigger attraction was the Jacuzzi, a welcome destination for the less hardy seniors. When we weren't running around or lounging about, we were stuffing our faces with chips, cokes, dogs, and burgers with all the usual accompaniments. Only the Class of 2005 could have put such a positive spin on a day that had seemed so glum.

Freduction

The night of June 7,2005, was warm and clear as the seniors gathered with friends and family at the Tsonga Avena in Lowell. The Class of 2005 waited forever in the depths of the Tsongas tunnels until, with hats on straight, seniors marched into the arena to the sounds of "Pomp and Circumstance." Speeches by Principal Safler and Superintendent Calabrese caused the seniors to reflect on their education, and Mrs. Hagan, the honored speaker, reminded the graduates of the wisdom to be found in the literature they read in school. Sam Laferriere, Katherine Hicks-Courant, and Simon Cherian addressed the class, evoking memories-in tears and laughter- of the class's journey together.

ADMIT OUF

"Besides inspiring me to actually read all of Moby Dick, motivating me to spend additional hours studying bacteria and poking fetal pigs until I understand them, making me want to know 300 years of history not for a three hour test but because I want to, my teachers have instilled in me the desire and the drive to find that which I am passionate about and to pursue it completely."

Kantherine Hicks-Courant Valedictorian

"We have gone through much together as a class: 911 attacks on the seventh day of freshman year, a frustrating no hat rule, an equally disturbing 25 cent raise in the school lunch, two spirit week victories, and finally a much needed Red Sox World Series win. These were a few of the occasions that tied us together as we journeyed from bag-carrying nervous freshmen to wiser seniors ready to step into the world."

Therian Cherian Salutatorian

Top: Let's celebrate!

Right: Nick Pinto belts out the national anthem to a standing ovation.

"I wish you all success in whatever dream you hold for your future and I hope no one has any regrets. Whether we're on a college campus, working in an office, or defending our country, we will all share one thing in common, and that is our years at B.M.H.S. Our experiences here helped to shape us into the people we have become."

Sam Laferriere Class President

"Traditionally, the graduation speaker is one who has done well in the world of business or politics or who has succeeded financially. Tonight, that tradition continues. The wealth I have amassed in my thirty -eight years of teaching at Billerica High School cannot be computed... I have met over four thousand students in classes or study halls or homerooms, and those students have given me my fortune. They have enriched my life."

ADMIT OUF fter prying remselves loose from the relatives, members of the Class of 2005 gathered one last time for the biggest party of their lives. The gyms were transformed into a playland paradise that night, offering food, drink, games, and prizes. Italian and Chinese dishes, ice cream sundaes, and 4:00 A.M. doughnuts filled in the times when the graduates weren't playing trivia, getting "tattoos," or running the inflatable obstacle course. Computers, DVD players, TVs, and appliances as well as candy and smaller loot-were raffled, giving graduates something besides a diploma to take home to their waiting families.
